Dear Sir/Madam,

Flintshire Local Development Plan – Consultation on Draft Interim Planning Guidance Note-Houses in Multiple Occupation (HMO)

I am writing to inform you that, following the adoption of the Local Development Plan (LDP), Flintshire County Council have produced a draft interim planning guidance note relating to Houses in Multiple Occupation (HMO) development.

The guidance note explains the approach the Council will take when dealing with HMO development proposals. The interim planning guidance note does not introduce new policy but does seek to provide further explanation and guidance as to how the relevant policies should be interpreted and applied. When adopted, the interim planning guidance note will be a material planning consideration in determining planning applications and appeals. The interim planning guidance note can therefore be used from the earliest stages of designing new HMO development.

The draft interim planning guidance note will be made available for consultation commencing on Friday 29/08/2025 and ending on Friday 10/10/2025. The document can be viewed on the Flintshire County Council website see link below and copies are also available at Connects offices and Ty Dewi Sant, Ewloe.

- https://www.flintshire.gov.uk/en/Resident/Planning/Review-of-Supplementary-Planning-Guidance.aspx

The Local Planning Authority would like to hear from a wide range of statutory and non-statutory organisations, town and community councils, voluntary groups, and the public as well as local planning consultants and agents. This feedback will be carefully considered and will help to enable the final interim planning guidance note to be approved and published by the Council. Responses and any necessary changes to the interim planning guidance note will firstly be considered and endorsed by the Planning Strategy Group before final adoption of the interim planning guidance note by the Cabinet.

Comments should be forwarded to Flintshire County Council by 5.00pm on Friday 10th October 2025 using one of the following methods:

• By filling in the online survey on the Flintshire County Council website, link here www.flintshire.gov.uk/LDP-HIMO
• by e-mail to developmentplans@flintshire.gov.uk

Welsh Government Consultation on extending the duty on local authorities to broadcast meetings

Dear Chair and Clerk

The purpose of this consultation is to seek views on extending the duty on local authorities to broadcast meetings. Although it does not directly affect Community and Town Councils, it is an opportunity to express an opinion on a matter of general public interest with the aim of providing more information on how decisions that affect them are made.
This consultation is to consider:

• whether the duty on a principal council to broadcast meetings should be extended to include meetings other than that of the full council
• whether there should be a duty imposed upon Fire and Rescue Authorities FRAs and/or National Park Authorities NPAs to broadcast their meetings
• whether there should be a retention period for recordings of broadcast meeting

The 2021 Act provides principal councils (meaning county councils and county borough councils), FRAs and NPAs with new ways to support and serve their communities with a strong emphasis on the principles of democracy, transparency, and accountability to the citizens of Wales. The 2021 Act contains a number of provisions which create greater transparency and openness between principal councils, FRAs, NPAs and communities. Welsh Ministers are keen to maximum the potential of digital technology to achieve greater transparency, collaboration, and accountability between principal councils and the citizens of Wales. However, Welsh Ministers also recognise that it is important not to disenfranchise individuals who do not have access to, or are unable to engage with, digital technology
Whilst Welsh Ministers recognise there are resource implications associated with expanding the number of meetings required to be broadcast live, it is also the case that this can be minimised through careful planning of the timing of meetings. Welsh Ministers consider a pragmatic approach which focusses on broadcasting a number of committee meetings which have broader public interest, would be a proportionate next step in the approach.

Increasing the range of meetings to be broadcast could provide the public with greater knowledge of how principal councils carry out their functions; how the views of the public are being considered; and how decisions are made. Welsh Ministers' proposal is to require the meetings of the following principal council statutory committees to be broadcast: Democratic Services, Governance and Audit, Licensing, Planning, Overview and Scrutiny, and Standards Committees, plus Cabinet meetings.

Section 46(8) and (9) of the 2021 Act allows Welsh Ministers to require specified bodies to broadcast their meetings, including NPAs and FRAs. Due to the large geographical areas covered by each NPA and FRA it can be difficult for people to attend their meetings and as a result their

meetings are often held either fully online or on a hybrid basis. Welsh Ministers are keen to explore views about extending the requirement to broadcast meetings to FRAs and NPAs in Wales

The closing date for responses is 28 November 2025. One Voice Wales will be preparing a response to this consultation. In order to inform this response, I would appreciate your Coouncil's response or draft response by Friday 14 November. My email is cjones@onevoicewales.wales

Independent Review of CCTV in North Wales

Adolygiad Annibynnol o Deledu Cylch Cyfyng yng Ngogledd Cymru

Background

The Office of the Police and Crime Commissioner (OPCC) has commissioned Wrexham University to undertake an independent review of Closed-Circuit Television (CCTV) provision across North Wales. CCTV remains an important tool for crime prevention, public reassurance, and gathering evidence, but it is essential to ensure it continues to meet community needs, delivers value for money, and operates fairly and effectively.

Aim

The review will provide an independent assessment of the effectiveness, efficiency, and impact of CCTV systems across North Wales, to inform future decision-making

Cefndir

Mae Swyddfa Comisiynydd yr Heddlu a Throseddu (OPCC) wedi comisiynu Prifysgol Wrecsam i gynnal adolygiad annibynnol o ddarpariaeth Teledu Cylch Cyfyng (CCTV) ar draws Gogledd Cymru. Mae CCTV yn parhau i fod yn arf pwysig ar gyfer atal troseddu, rhoi sicrwydd i'r cyhoedd, a chasglu tystiolaeth, ond mae'n hanfodol sicrhau ei fod yn parhau i ddiwallu anghenion cymunedol, yn darparu gwerth am arian, ac yn gweithredu'n deg ac yn effeithiol.

Amcan

Bydd yr adolygiad yn darparu asesiad annibynnol o effeithiolrwydd, effeithlonrwydd ac effaith systemau CCTV

and investment.

ar draws Gogledd Cymru, i lywio gwneud penderfyniadau a buddsoddi yn y dyfodol.

Objectives

The review will explore:

- The impact of CCTV on crime prevention, detection, and reassurance.
- The evidential and prosecutorial value of CCTV footage.
- Cost-effectiveness and sustainability of current arrangements.
- Governance, management, and funding structures.
- Examples of good practice and potential improvements.

Amcanion

Bydd yr adolygiad yn archwilio:

- Effaith CCTV ar atal trosedd, canfod, a rhoi sicrwydd.
- Gwerth tystiolaethol a phrosesyddol delweddau CCTV.
- Cost-effeithiolrwydd a chynaliadwyedd trefniadau cyfredol.
- Llywodraethu, rheolaeth, a strwythurau cyllido.
- Enghreifftiau o arferion da a gwelliannau posibl.

Methodology

The review will be carried out through:

- Stakeholder interviews with police, local authorities, community councils, operators, CPS, businesses, and civil liberties groups.
- Case file reviews to assess the evidential quality, contribution, and usability of CCTV in real investigations.

Methodoleg

Bydd yr adolygiad yn cael ei gynnal drwy:

- Cyfweliadau rhanddeiliaid gyda'r heddlu, awdurdodau lleol, cynghorau cymuned, gweithredwyr, CPS, busnesau a grwpiau hawliau sifil.
- Adolygiadau ffeiliau achos i asesu ansawdd tystiolaethol, cyfraniad, a defnyddioldeb CCTV mewn ymchwiliadau go iawn.

Engagement

Local councils and community partners are invited to contribute by identifying individuals or groups with responsibility for or interest in CCTV provision in their area. This will ensure the review reflects a wide range of views and experiences.

Ymgysylltiad

Gwahoddir cynghorau lleol a phartneriaid cymunedol i gyfrannu drwy nodi unigolion neu grwpiau sydd â chyfrifoldeb neu ddiddordeb mewn darpariaeth CCTV yn eu hardal. Bydd hyn yn sicrhau bod yr adolygiad yn adlewyrchu ystod eang o safbwyntiau a phrofiadau.

Reporting

Findings will be compiled into a report

Adrodd

submitted to the Police and Crime Commissioner for North Wales at the conclusion of the review. The report will make recommendations on future priorities, resourcing, and potential reforms.

Bydd canfyddiadau'n cael eu casglu mewn adroddiad a gyflwynir i Gomisiynydd yr Heddlu a Throseddu Gogledd Cymru ar ddiwedd yr adolygiad. Bydd yr adroddiad yn gwneud argymhellion ar flaenoriaethau'r dyfodol, adnoddau, a diwygiadau posibl.
