Best garden in a tray

(open to children 16 year olds and under).

Open to children living or attending school in Mold.

Create a mini garden in a tray (maximum size 38cm length, 24cm width).

Garden in a tray has to be portable and be brought to the judging table on Saturday 14th July.

Here are a few ideas to help you create a winning garden in a tray:-

- Select plants which are easy to look after and that will stay miniature in size.
- Ensure you have drainage for when you water your garden. Put some stones in the bottom of the container, then fill it with soil.
- Give your garden a theme. You could use action figures, dolls' house furniture, toy animals or even dinosaurs! And you could make buildings out of card, clay or wood.
- Add some landscaping. Use lollipop sticks and/or twigs to build fences and use gravel or pebbles for paths. And lids from food jars, tin foil or small mirrors can be used to make a pond. You could also use things like moss, tree bark, sand and shells.

Judging will take place on Saturday 14 July on the Daniel Owen Square, entries to be brought to the judging table on the day, 9.30am – 10.30am (or delivered to Mold Town Council before 3.00pm Friday 29th June). Members of the public will be asked to vote on their favourite garden in a tray, the winner will be decided based on the number of votes.

Voting will take place on Saturday 14 July between 10.30 – 13.00hrs on the Daniel Owen Square.

If you would like any further information, please call the office 01352 758532 or email supportofficer@moldtowncouncil.org.uk
