Report for Mold Town Council Finance Committee

Date of Meeting: 16th September 2025

Accounts 2025/2026 - Finance Review by the Town Clerk and Financial Officer

Finance Committee Members are asked to consider this report in compliance with good financial management and practice expected within the Town and Community Council public sector. I have put together the current financial position resulting from the Town Council's operational outcomes so far this year and a commentary of facts, figures, explanations and current financial considerations that Members are undertaking.

Purpose of Report

1. To consider the position relating to the income and expenditure of the Town Council as of end of August 2025.

Background

- 2. This year's estimates for income and expenditure were approved in January 2025 when the precept for the year was also agreed.
- 3. The Internal Auditor recommends the regular review of income and expenditure and the attached schedules are intended to satisfy that recommendation.
- 4. The figures shown in the Detailed Balance Sheet up until the end of Month 5 (August 2025) gives a clear overview of the council's current Financial situation (Appendix 1). A detailed income and expenditure report by budget heading are also attached (appendix 2).
- 5. The estimate budget agreed for the year is £429,095 (in January 2025) and the Council's expenditure up to 31st August 2025 is £173,631.

Comments on the Accounts

6. Overview of Cost Centre - 101 Admin

4113 – HR & H&S - As outlined in the previous report, an invoice was received for Year 2 of the three-year contract, showing a net cost of £4,708.52, which represented a 6% increase on last year's cost of £4,442.

The Town Clerk queried this increase, as the Town Council's terms and conditions specify that costs cannot rise by more than 3% annually. Following the enquiry, Worknest confirmed the original agreement and issued a revised invoice for £4,575.26.

The revised invoice has been paid and will be reflected in the budget following the June reconciliation. This results in a slight overspend of £75 due to the 3% cost increase applied last year.

The budget for 2026/27 will be calculated at £4,575 plus 3% to cover the final year of the contract.

4116 – Election Costs - The budget line currently appears overspent due to the £9,124 payment for the recent by-election. However, this cost was met from EMR and not from the annual budget allocation. The in-year budget of £2,000 therefore remains available. If unspent, this sum will be transferred to EMR 313 – Election Provision at year end.

4118 – Office Equipment - The budget line currently appears overspent; however, the majority of the expenditure relates to the office relocation. As previously agreed, £2,882 of these costs have been funded from EMR 316 – MTC Future Purchase/Rent. A total of £4,961.54 has now been spent against EMR 316 as agreed. The actual spend from the Office Equipment budget is therefore £231.00.

4148 - IT/Software - The majority of this budget appears to have been spent; however, £1,811.00 has been allocated to EMR 316 - MTC Future Purchase/Rent as agreed, to cover the costs of new hybrid meeting equipment. The actual spend against the IT/Software budget is therefore £1,320.00. This figure does not yet include the agreed purchase of a new laptop for the Admin Support Officer at a cost of £455.00 (excl. VAT).

7. Overview of Cost Centre 103 - Town Council Offices

4010 - Cleaning - A separate cost code has been established for cleaning at 103 Town Council Offices and 110 Bailey Hill to track contractor cleaning expenses throughout the year, while the caretaker/cleaner is on long-term sick leave. As the decision to use contractors was made after the 2025/26 budget was set, no budget has currently been allocated to cover these additional costs.

4169 – Other Costs – The spending of £761 is as a result of moving offices. These costs have also been allocated to EMR 316.

8. Overview of Cost Centre 104 Cemetery

All budgets for the current financial year are on track and monitored by the Cemetery Committee.

9. Overview of Cost Centre 105 Events

Currently all income and expenditure for events is paid directly from 324 EMR Events, this will continue in the new financial year therefore a budget each individual event is not required.

10. Overview of Cost Centre 107 Grants

4155 – Fit, Fed, Read - When preparing the 2025/26 budget, it was agreed that no budget would be allocated for Fit, Fed and Read, as the Council was uncertain whether the activity would continue following the restructure of Aura to Gwella. Since then, Gwella has formally requested financial support of £1,000, which was subsequently approved at a Town Council meeting.

11. Overview of Cost Centre 110 Bailey Hill

4010 - Cleaning - Has been highlighted above under Cost Centre 103.

Research into Alternative Banking Options for Town Councils

Preliminary research has been undertaken to identify alternative banks offering services suitable for Town Councils. Information has been gathered on a range of institutions, including both high street banks and digital/challenger banks, with a focus on account features, interest rates, fees, and accessibility for council operations.

At this stage, the attached summary provides an overview of findings to date. Further detailed research is ongoing to ensure a comprehensive comparison of all viable options. Once completed, a full set of findings and recommendations will be presented to the Finance Committee for consideration.

Recommendation: That the Financial Report and accounts and budget be received and noted.
