- 66.8 The Minutes of the Finance Committee Meeting held on 16th September 2025 be received and **approved** as a correct record;

67. GREEN INFRASTRUCTURE PROJECT PRESENTATION – FCC REGENERATION TEAM

A slide presentation with overview of green infrastructure in natural or semi-natural settings was provided by the Flintshire County Council Regeneration Team followed by questions from Members. The Green Infrastructure Audit includes Mold Town Centre and the wider area. A copy of the report is available. The report resulted in several opportunities for Green Infrastructure in Mold and provided a base for gaining funding.

The audit identified Daniel Owen Precinct as the area for the project. This is still in the planning stage and in process for the way forward.

Proposed stages:

Draft design – end of September

Public and Stakeholder Consultations – October

Final designs and procurement – November

Appoint contractor – by New Year

Deliver the Project – March 2026

Funding has a tight timeline and if it can be completed by March 2026, FCC can then talk with Welsh Government to enhance further areas in next couple of years.

Harrison Design Development of Mold have been appointed to work on the design of the project area.

Mold Town Council Members were asked to look at the Green Infrastructure Audit and see what else would be good to do for the area going forwards. The Town Council can come to FCC with scope of projects for the Town with support from FCC Regeneration Team.

FCC Regeneration Team met with Daniel Owen Precinct business owners who agreed it can't be the businesses to maintain and carry the cost for the area.

FCC Regeneration Team now have the draft plans and will speak with Streetscene about the maintenance and with Biodiversity colleagues for suggestion of low maintenance plants.

18:29: Guest Speakers exited the meeting.

68. CORRESPONDENCE

Members **noted** the previously circulated correspondence;

- (a) Fit, Fed and Read – feedback from Gwella.
