2. MINUTES

Resolved: It was resolved that the minutes of the meeting held on 11th December 2012 be received and approved as a correct record.

3. REVIEW OF HR AND HEALTH AND SAFETY POLICIES

The Committee considered the additional information from Ellis Whittam and Wirehouse obtained following the last meeting of the committee. The information considered included references from other Community & Town Councils who use the services of Ellis Whittam or Wirehouse, together with additional information from Wirehouse relating to Health & Safety and provision of training. It was agreed that the additional details were sufficient, and no further information would be required at this stage.

Councillor Bryan Grew provided the committee with clarification from One Voice Wales on the level of service provision they could offer together with an explanation from One Voice Wales as to why a year on year service is not offered.

The Committee considered all the information and whilst there was agreement that they would like to recommend the use of One Voice Wales, there was concern that the Town Council would be a "guinea pig" as the consultancy service offered by One Voice Wales is still in its infancy, and the concern that the Town Council would require a year on year service provision to ensure the Town Council remains up to date with the policies and health and safety inspections.

Resolved: It was resolved to recommend the appointment of Wirehouse Employment Services to the Town Council.
